

If printed 17 inches tall (from black-outlined edge to black-outlined edge) the scale of these drawings is 1/350.

NOTES

DECK G
Deflector Equipment is at the front of the deck.

A Brig is located on the port side, just aft of the Deflector Equipment.

A Park is located on the starboard side, just aft of the Deflector Equipment.

Aft of the Brig is a Gymnasium. The Lockers, Showers, etc are part of the Gymnasium.

Aft of the Park (starboard) and the Gymnasium (port) are Emergency Batteries.

Storage Rooms are to port and starboard, immediately ahead of the Shuttlecraft Maintenance Bay. These rooms contain supplies, parts, tools, etc for Shuttlecraft Maintenance.

Several details are shown on the Shuttlecraft Maintenance Deck: a Refuelling Station behind each Shuttlecraft, the Shuttlecraft Maintenance Pit Hatch, ladders leading up to the Flight Deck, stairs leading up to the Shuttlecraft Maintenance Highbay Platforms, and the Shuttlecraft Maintenance Bay Hatch.

AVERY-CLASS ships usually have 3 Shuttlecraft assigned to them. However, many names and numbers can be chosen beforehand.

DECK G (continued)
Shown here are JOULE (1), THOMSON (2), HELMHOLTZ (3), and on Deck E is TAIT (4).

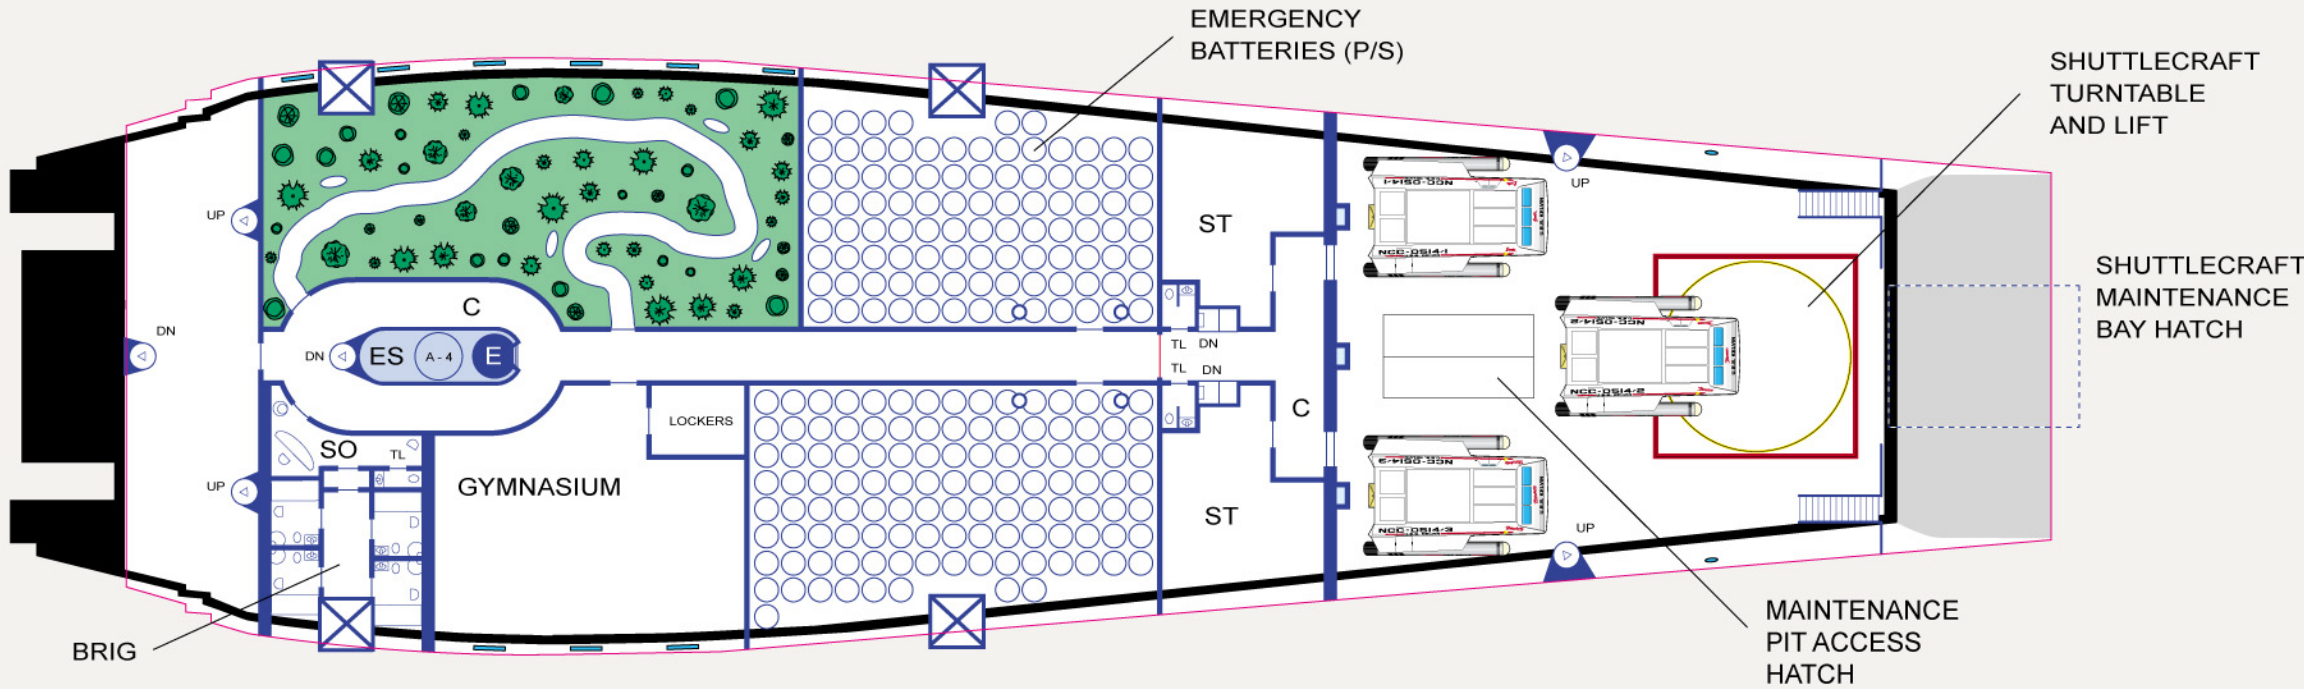

DECK H
The lowermost installation of Deflector Equipment is located at the front of this deck.

Standard Gases, Ventilation Equipment, and Air Conditioning Equipment extends aft from the Deflector Equipment almost all the way to the Shuttlecraft Maintenance Pit.

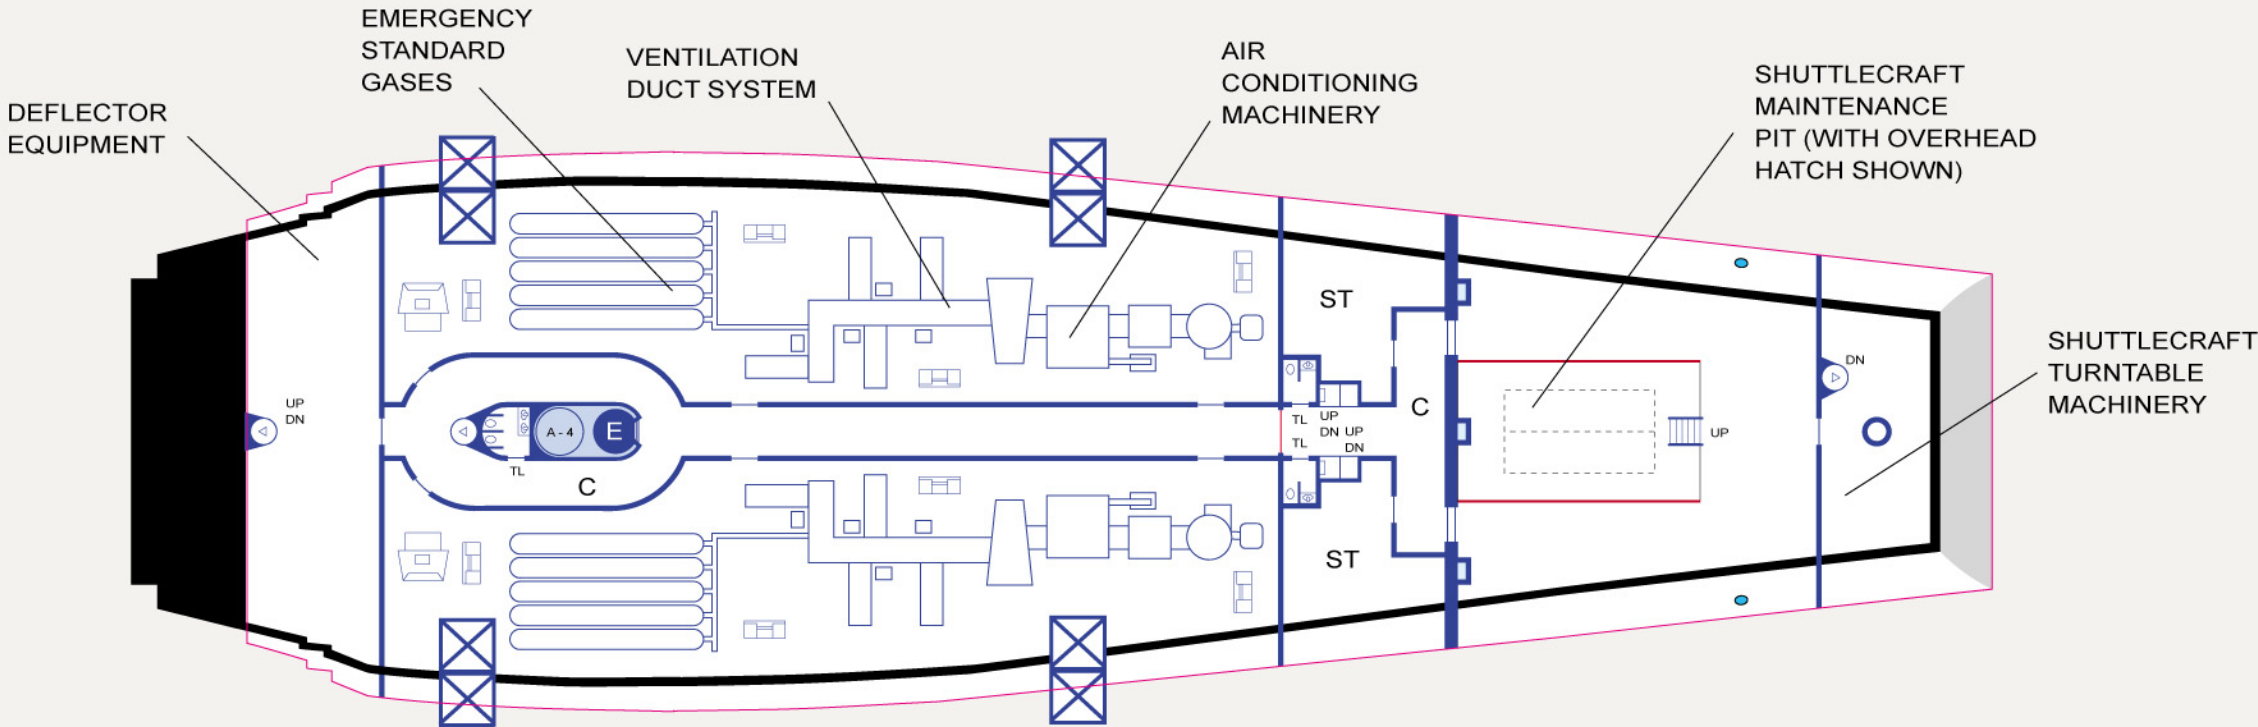

To port and starboard, behind the Air Conditioning Equipment are Storage Rooms. These rooms contain supplies, parts, tools, etc for Shuttlecraft Maintenance.

Aft of the Storage Rooms is the Shuttlecraft Maintenance Pit: Conduits lead up from the Fuel Tanks on Deck I to the Refuelling Stations in the Shuttlecraft Maintenance Bay. The actual pit is raised a few steps, to allow for easier access to the underside of the Shuttlecraft (which are stored above on Deck G).

The Shuttlecraft Turntable and Lift Machinery is aft of the Shuttlecraft Maintenance Pit, with a ladder leading down to more equipment on Deck I.

DECK G: RECREATION / SHUTTLE MAINTENANCE

DECK H: FACILITIES / SHUTTLE MAINTENANCE
