

DECK I: ENVIRONMENTAL SERVICES

DECK J: SECONDARY HULL KEEL

DECK K: DORSAL DISCONNECTION EQUIPMENT (UPPER)

NOTES

- DECK I**
Environmental Services are located on this deck, including Fresh Water Storage, Water Pumps, Circuit Breakers, Material Reclamation, and Laundry Facilities.
- Fuel Storage for the Shuttlecraft is aft of the Laundry.
- The Shuttlecraft Turntable and Lift Machinery is aft of the Fuel Storage, but it is only accessible from Deck H.
- DECK J**
At the front of this deck is Fresh Water Storage which continues from the deck above. Aft is the Sanitary Waster Recovery System.
- The Piping / Wiring Trunk disperses throughout the rest of the hull from this deck.
- At the rear is the Fuel Storage for the Shuttlecraft which continues from the deck above. A refueling hatch is located between the 2 red lines visible on the underside of the Secondary Hull.
- Structural Bulkheads extend from here upwards for 2 or 3 levels.
- DECK K DORSAL**
The upper disconnection equipment is located on this deck. This area is kept clear and is difficult to enter except by authorized personnel. It is accessible only by ladder.
