

## NOTES

### DECK 5

Quarters for the senior and junior officers are located on this deck.

The Mess in the center has food delivered by conveyors connected to the food preparation area on Deck 8.

Around these quarters are more batteries, as well as the air conditioning and ventilation system. At the rear are the circuit breakers and the piping / wiring trunk.

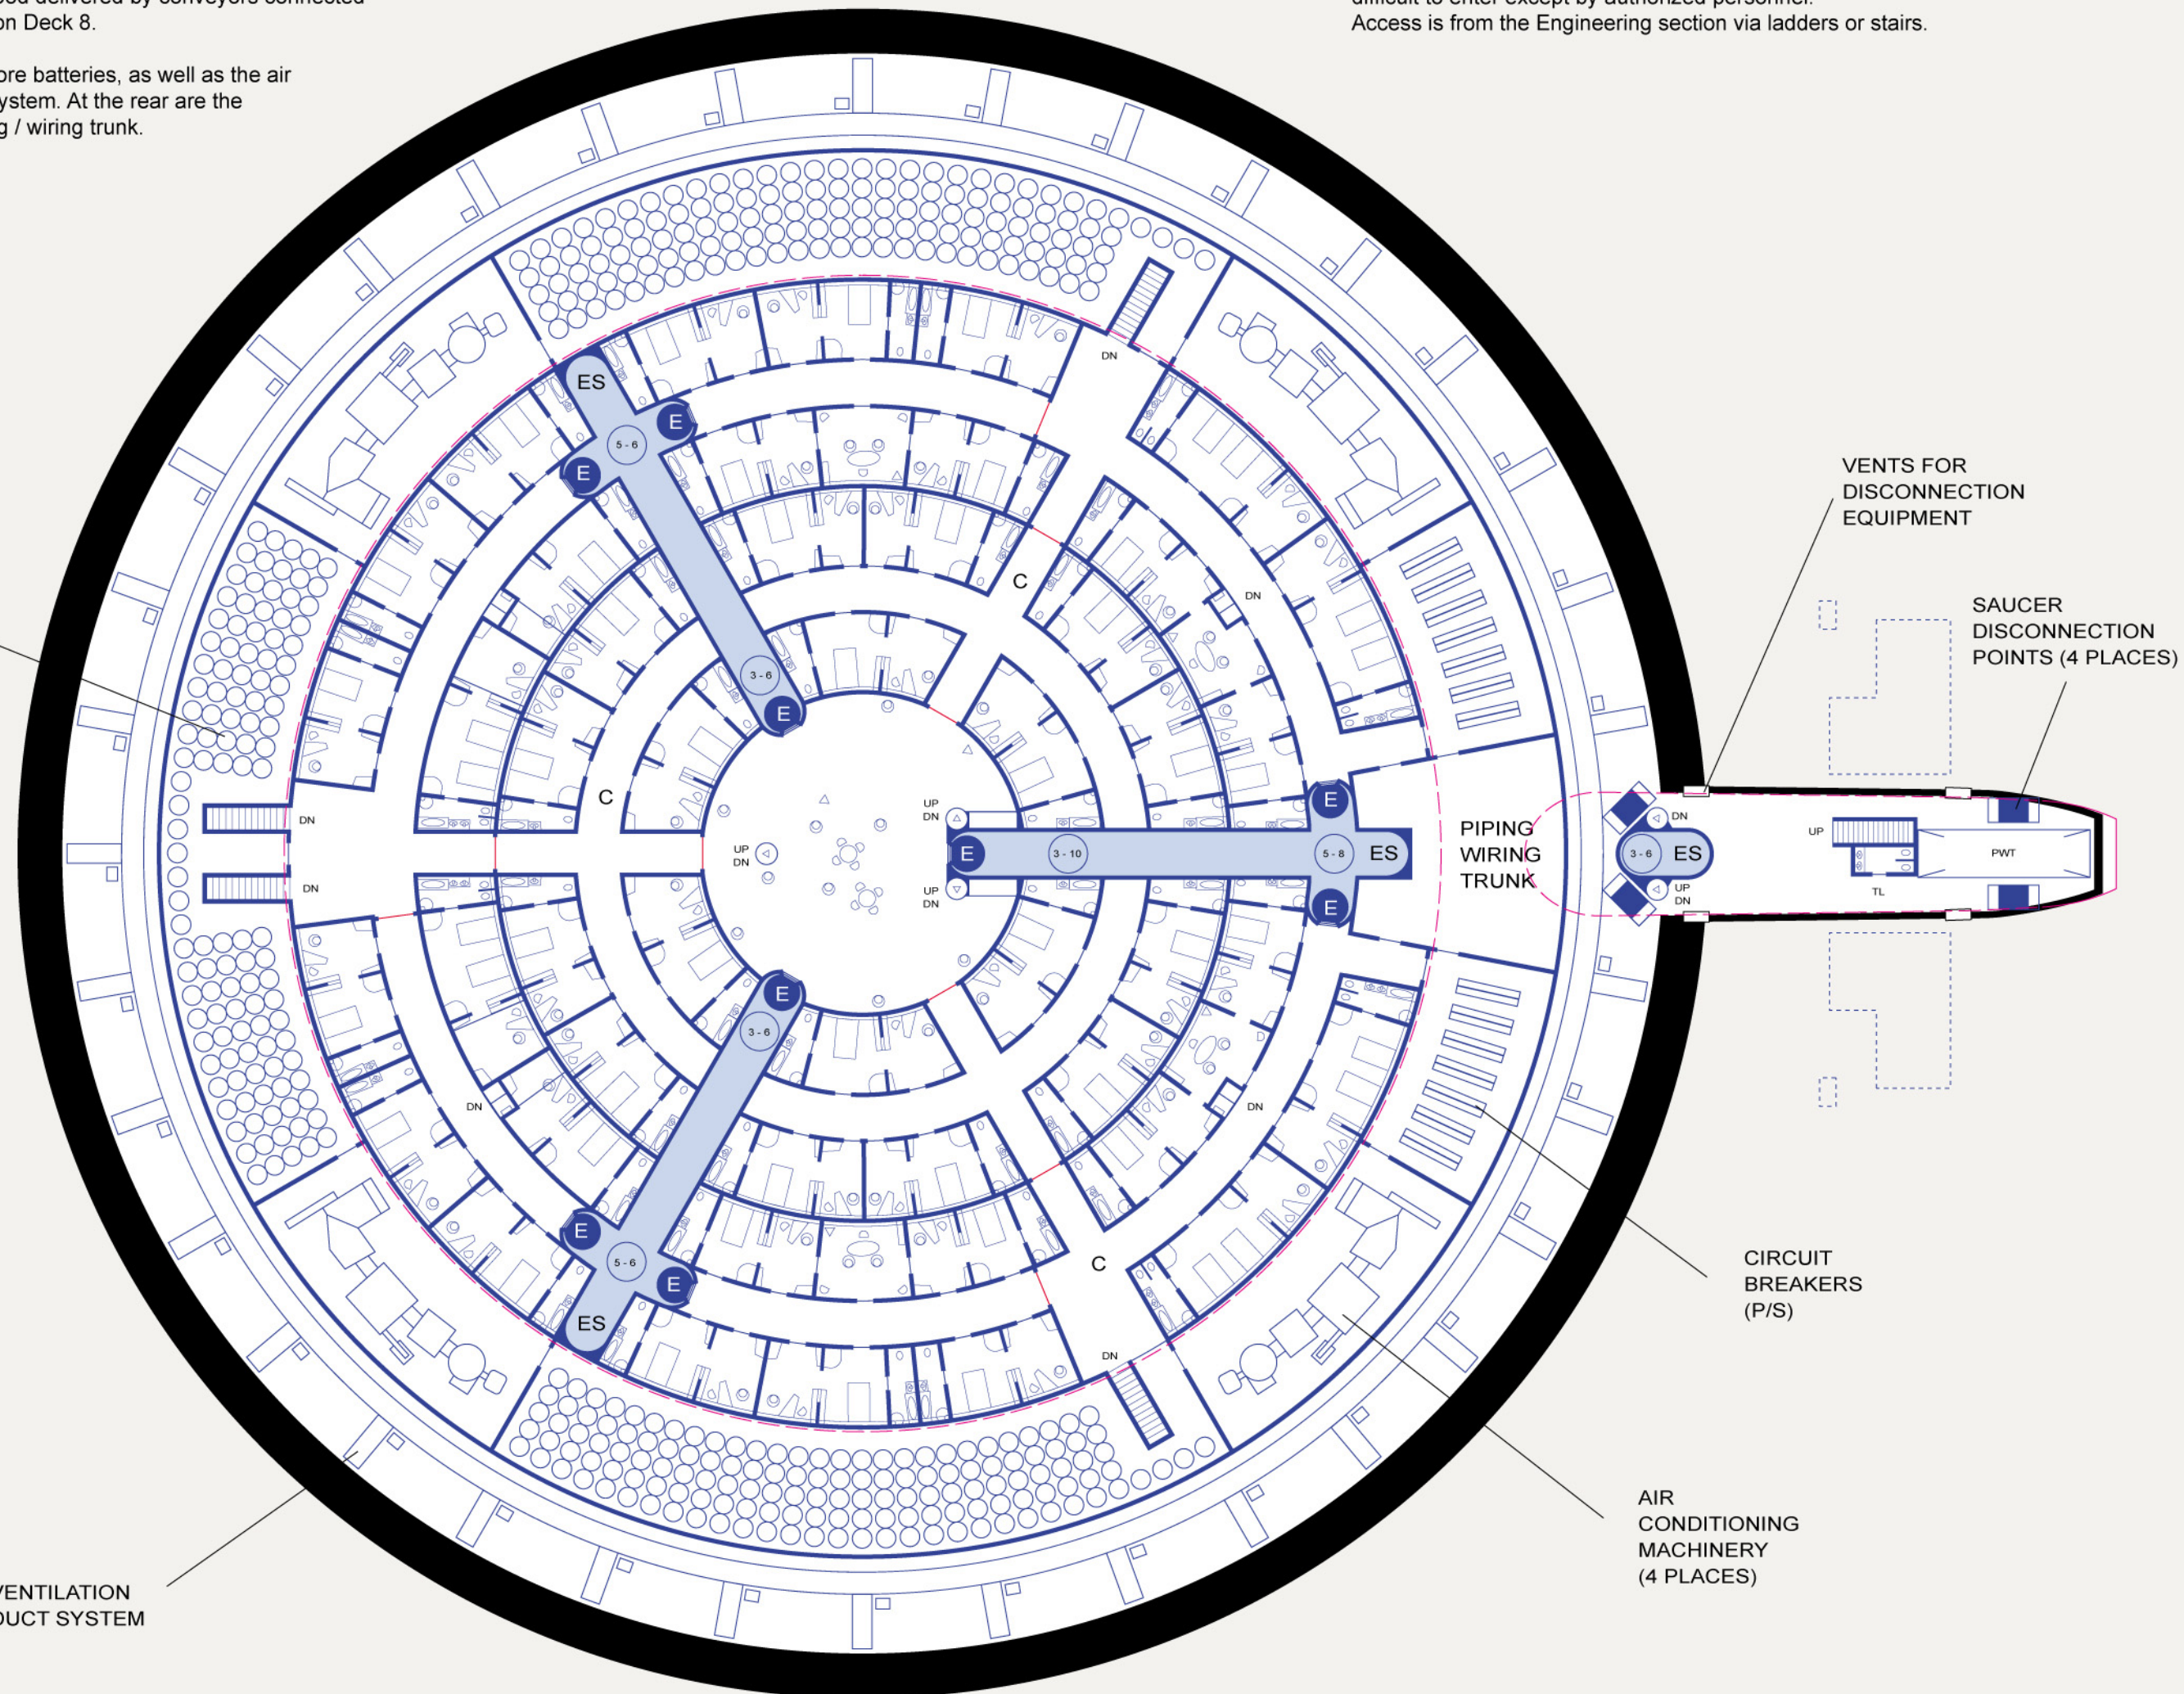

### DECK 5 (continued)

The disconnection equipment is located at the rear of this deck and the dorsal deck above. This area is kept clear and is difficult to enter except by authorized personnel.

Access is from the Engineering section via ladders or stairs.

EMERGENCY BATTERIES (3 PLACES)

VENTILATION DUCT SYSTEM
