

NOTES

DECK 17
The forward half of this deck is open to the Natural Habitat below, which starts on Deck 19 and continues up to Deck 15.

Atmosphere Control for this part of the Space Station continues on this level. Cargo Holds fill the rear half of the deck. The Cargo Lifts continue through this deck.

A Circuit Panel Room is in the forward half of the inner section.

DECK 17: ATMOSPHERE CONTROL / CARGO
