

If printed 28 inches wide (from black-outlined edge to black-outlined edge) the scale of these drawings is 1/350.

NOTES

DECK 28
This deck is devoted to Crew Quarters, with some personal Storage Rooms in the inner ring. This deck is well connected to the decks above and below with ladders, stairs, and turbo-elevators.

The 3 Turbo-elevator shafts each have an access station opening onto the central concourse. Each shaft also reaches outward along each connecting arm to serve the 3 smaller hulls.

The forward (red) hull and connecting arm is shown on Pages 22, 23, and 24.

The starboard (yellow) hull and arm is shown on Pages 25, 26, and 27.

The port (green) hull and connecting arm is shown on Pages 28, 29, and 30.

DECK 29
The main food storage and preparation area is located on this deck.

The smaller, secondary, Hydroponics Garden is located in the middle.

The Mess Hall is at the rear, between the port and starboard arms.
