

DECK 28R: SERVICES / SCIENCE LABS

DECK 28R
The front of this deck is open to the Swimming Pool (below). Behind this space are some shops and services for the crew. Science Labs are on each side of this deck. In the middle of the deck are Fabrication Facilities. Around the rear perimeter are Cargo Holds. Storage Rooms are located on either side of the entire length of the arm, but they are only accessible by stairs leading up from Deck 29.

NOTES

DECK 28R (continued)
The Turbo-elevator shaft and Elevator Storage Spaces are located along the centerline of the arm.

DECK 29R
The front of this deck contains a Swimming Pool and 2 small Natural Habitats. A few small shops and services are located in the middle, but most of the rest of this deck contains Crew Quarters. The Crew Quarters continue along the arm. Stairs in the arm lead up to the Storage Rooms on Deck 28.
