

If printed 17 inches tall (from black-outlined edge to black-outlined edge) the scale of these drawings is 1/350.

NOTES

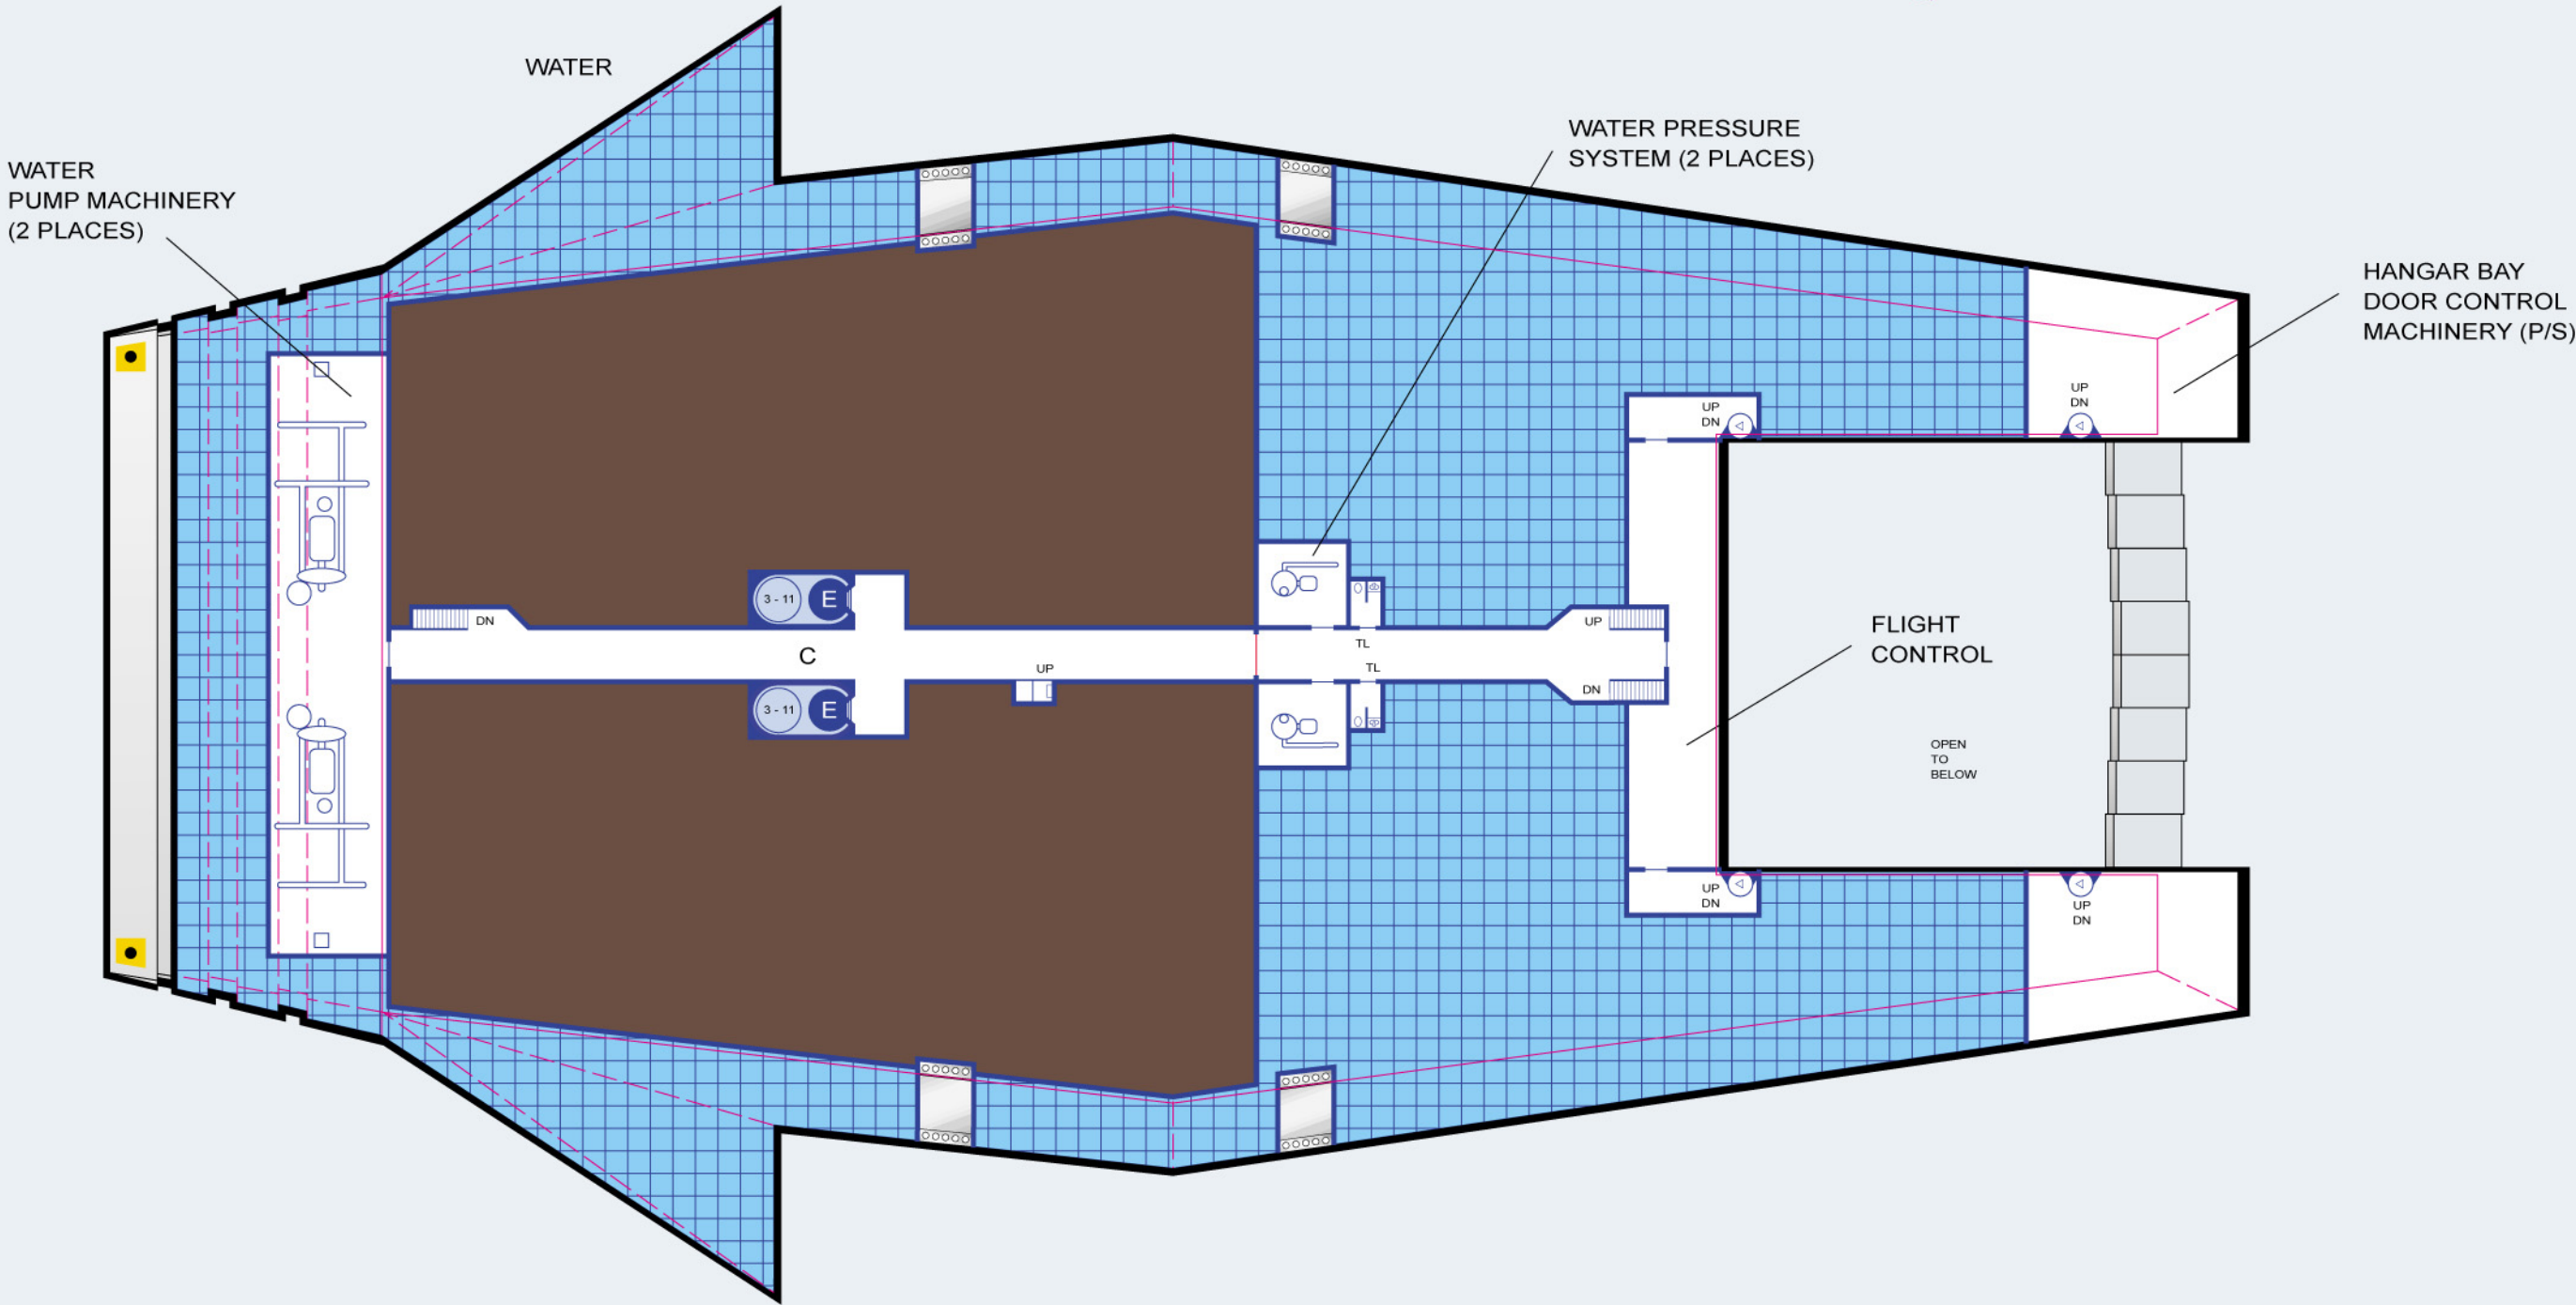

DECK 6
Most of this deck contains tanks for Water Storage.

The soil shown here supports the green space on the deck above. The soil only extends about halfway down to the deck from the ceiling. The lower half contains more tanks Water Storage.

Water Pumps, Water Pressure Systems, and Filters are also located on this deck.

At the rear is the Flight Control Station for Hangar Bay operations.
