

NOTES

The view to the left is from the bottom, looking up (just as on the previous page) but the warp engine nacelle has been removed to reveal details of the pylons and the flattened area of Deck 7.

The Hatch shown is on Deck 14. The outline of this deck is shown with a heavy black outline. The hatch provides access to the Engine Inspection Station.

FLATTENED
AREA ON
DECK 7

HATCH

NOTES

The view to the right is from the bottom, looking up (just as on the previous page) but the warp engine nacelle and the pylons have been removed to reveal details of the flattened area of Deck 7.

The Ladders and Stairs shown are on Deck 7 and lead down into the pylons. The outline of the first deck in each pylon, Deck 8, is shown with a heavy black outline.
