

NOTES

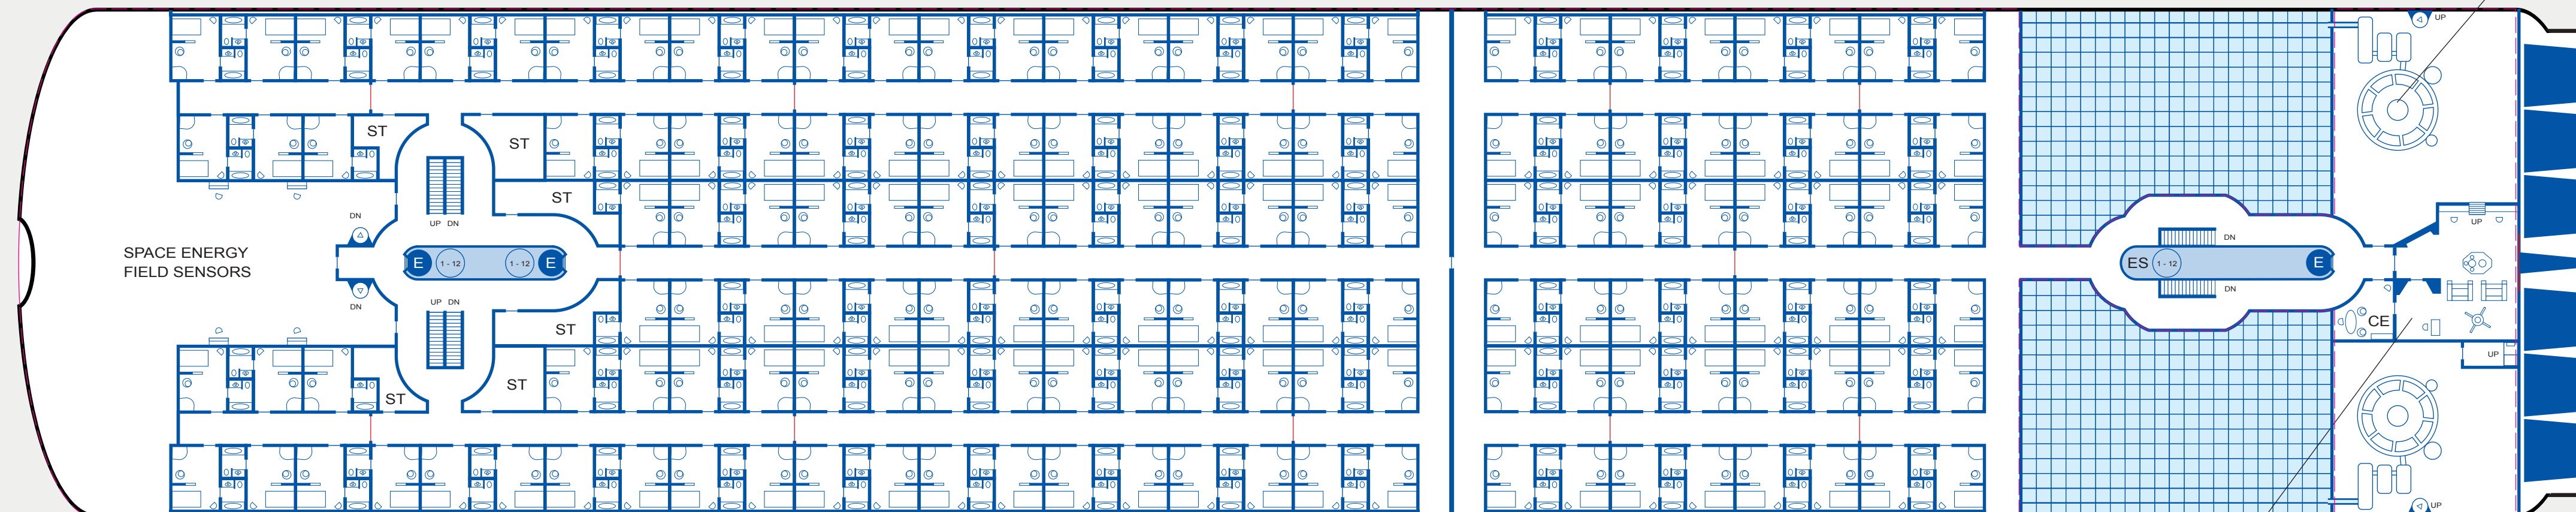

DECK 7
 Space Energy Field Sensors start on the deck and continue down for several levels.
 Passenger cabins fill about half of this deck.
 Aft of the Passenger Cabins are some Crew Quarters.
 Aft of the Crew Quarters is the top of the Impulse Engine Fuel Tank.
 At the extreme aft is Main Impulse Engineering.

DECK 8
 The Bridge is at the front of this deck. Surrounding the Bridge are Batteries.
 Most of the Crew Quarters are located on this deck. The Senior Officers are near the Bridge, and they have offices adjacent to their quarters.
 There are two Briefing Rooms aft of the Officers' quarters.
 Aft of the Crew quarters is the Impulse Engine Fuel Tank.
