Dear Jerry:

I am sorry but Neil has not written a newsletter since the one dated Dec./85. They are working on a new album but do not expect to release it until late next summer when they will probably go on tour. Neil only writes newsletters at the beginning of a new tour.

We are sold out of Live in Japan posters and cannot get anymore. I will credit your account with \$3.00 to ward your next order. If you do not order again, I will refund your money.

Dear Jerry,

The album is finished and due to be released Oct. 12. The Band does not want the title to be made public just yet.

I put you back on the Pen Pal list.

Dear Jerry,

The next newsletter will be coming out with the start of the next tour.

Right now the band is starting to record in the fall and should have an album and tour next year.

Thanks
Jenny

Showtech Merchandising Inc.

Fall 1998

Dear Rush fans and current R.B.C. members:

We at Showtech Merchandising, (R.B.C.) must regretfully inform you that we have had to discontinue the Rush Backstage Club Membership. We will no longer be sending out the periodic newsletter or acting as a fan club. We have a variety of reasons for doing this, the biggest being that there is such an abundance of information available on the internet these days. We do hope that you will be understanding with the matter.

We will however, still act as the Rush merchandising outlet, as this is our primary business. We also have a web site, which pictures all of the latest merchandise. Order forms can be pulled from the site or requested by mail at our address.

For those of you who want more in depth information about the group, tour dates, etc. . A Show of Fans is a Rush fanzine which is independent of Showtech Merchandising. You can contact them at: A Show of Fans

5411 East State St. Ste. 309

Rockford, IL 61108

Once again, we apologize for this inconvenience and disappointment and hope to assist you with your merchandise orders.

Sincerely,
Showtech Merchandising
