CANADA'S "GROUP OF THE YEAR"
1978 JUNO AWARDS

Shown above are GEDDY LEE and ALEX LIFESON receiving the 1978 Juno Award for Canada's "Group of the Year." My fave rave power trio was so stunned (check the expression on Geddy's face). No, that is not Neil Peart in the tuxedo!

5,000 MAIL ORDERS FOR RUSH CONCERT DUCATS NOT ON SALE

I got a call on April 20 from the ALPINE VALLEY MUSIC FAIR in EAST TROY, WISCONSIN. This guy told me he had 5,000! mail orders in for a RUSH concert on May 28 that he had not even put tickets on sale for yet.

If you know anything about concert promoting, you know that the advance ticket sale on outdoor shows is usually light because of the weather factor.

Alpine Valley expects to go clean in advance for all 20,000! tickets. Not bad for East Troy, Wisconsin.

Dear Sirs -

Rush is Hot. I saw them in concert with U.F.O. and that has been the Greatest concert in a while. Neil Peart is amazing on percussion and Drums. His double bass is great They are reaching more people now then ever because of simplicity. I always hear Best I can or Anthem etc. on KWEST LA..

I don't know too much of their background but I had the first Rush album about a month after it came out. I listened to it for about 2 weeks straight. I have all of their albums and some articles from Circus magazine. I would like to know if you have any pictures, history, or interviews on them.

Rush is Hot. The critics can go to hell! Drums make a band and Geddy Lee's vocal are frightening. Thank you for your time

Please write back

Thank X again

Alex Massimo
