Budge - If I Were British I'd Wear the Ruffles (A and M SP-4501) Sometimes it seems that the kind of de-nuanced that produces records with this sort of title is self-defeating. But if there's one good thing, Budge is one of those rock 'n roll bands that never quite seem to catch fire, but just keeps blazing away. Their music is a crossover hard rock, seemingly designed for R&B audiences but with a feel that just doesn't quite fit, but good tunes and a strong, rhythmic feel that's just enough to please the crowd.
